JVP 4x4 Systems

JVP

Raised access floor
Pavimento **sopraelevato** accessibile

a lot of “unknown&invisible” net of systems run under the raised access floor, do you know?

CALIETRA
Lara Design

JVP

Raised access floor
Pavimento **sopraelevato** accessibile

...and sometime they are absolutely relevant!

CALIETRA
Lara Design

what does it occur on site to
each raised access floor?

JVP

Raised access floor
Pavimento **sopraelevato** accessibile

CALIETRA

sometime the site situation is not exactly a dream, but the installation could not wait: time is money!

JVP

Raised access floor
Pavimento **sopraelevato** accessibile

believe or not, some strange as well as heavy “guest” is invited to run on the raised access floor!

CALIETRA

JVP

Raised access floor
Pavimento **sopraelevato** accessibile

believe or not, some strange as well as heavy “guest” is invited to stay for a long time on the raised access floor!

CALIETRA
Lara Design

JVP

Raised access floor

Pavimento **sopraelevato** accessibile

finally, sometime the “guest” passage let more than an almost unforgettable trace on the raised access floor!

CALIETRA
Lara Design

how is it made our
JVP 4x4
raised access floor,
to easily front all that ?

JVP

Raised access floor
Pavimento **sopraelevato** accessibile

a strong as well as robust four time folded galvanized steel armour, like a war tank!

CALIETRA
